

KONU OPEN YOUR HEART

PAST MODALS

SHOULD / OUGHT TO HAVE

We use should/ought to + have + past participle (V3) to talk about an obligation in the past. It often indicates some criticism.

Tina should have asked me before she took my mobile. (I'm annoyed)

You cough terribly. You shouldn't have walked in the rain. I mean you should have taken a taxi.

MUST HAVE

We use must +have +past participle (V3) to draw a conclusion about something in the past.

Jennifer must have been very surprised when she heard the news about her boyfriend.

Marc must have sung really well in the competition. Everybody said it was a great performance.
