Making Comparisons

We use the **comparative form** to compare two people, things, animals or places.

a. one-syllable adjectives:

| Adjective | Comparative |
|-----------|--------------|
| short | shorter than |
| small | smaller than |
| big | bigger than |
| hot | hotter than |

b. two-syllable adjectives ending in -y:

| Adjective | Comparative |
|-----------|-----------------|
| happy | happier than |
| easy | easier than |
| friendly | friendlier than |

c. adjectives with two or more syllables:

| Adjective | Comparative |
|-----------|---------------------|
| beautiful | more beautiful than |
| expensive | more expensive than |
| famous | more famous than |

d. irregular adjectives

| Adjective | Comparative |
|-----------|------------------------|
| good | better than |
| bad | worse than |
| far | further / farther than |

ÖRNEK SORULAR

1. Verilen boşluğa gelebilecek en uygun seçeneği bulunuz.

The Eskimos live near the northern polar regions. The weather is always freezing there. So, they have to wear thick clothes. But, people in the deserts have to wear loose clothes. Because the weather is always sweltering.

The Eskimos

- A) are more interested in clothes than people in the desert
- B) are healthier than people in the desert
- C) need warmer clothes than people in the desert
- D) live in better circumstances than people in the desert
- E) feel happier than people in the desert
